Step 1

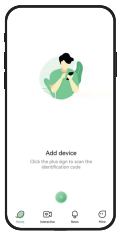
Download and install the **Love Spouse APP** for IOS or Android System.

Step 2

Register with your mobile phone or e-mail as New User and log in. When used without registration, only limited functionality with 9 default modes will be available.

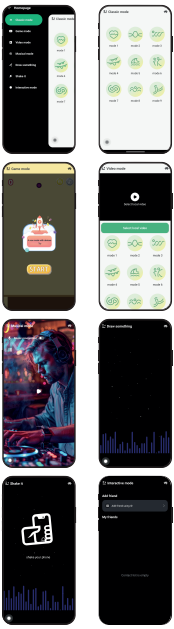
Step 3

Add your device scanning the qr-code or entering the identification number - 0382.
Long press the device icon to delete the device and modify the device name.



Step 4

Turn on the device and click its icon in the APP.
Allow the APP to enable bluetooth.
After successful connection enter the device control interface.



Step 5

Choose between 7 modes:

Classic mode - click one of 9 icons and the device will start vibrating. To stop vibrating click the icon again.
Game mode - throw the fruits at each other, and when you hit accurately, the toy will vibrate.
Video mode - combine watching downloaded videos with 9 default vibration modes.
Musical mode - click on the music player and the device will vibrate as the music changes.
Draw something - create and save your own patterns.
Shake it - shake your cell phone and the device will vibrate according to the shaking rhythm and amplitude of your phone.
Interactive mode - add friends to play together.
