

Take it easy

Unlock Blissful Pleasure with Take it Easy:
Dual Delight, Satisfaction Rewound

Take it Easy collection offers a range of modern and **budget-friendly must-have devices** that deliver exceptional performance. The assortment of the collection covers the most common needs of users, and is also perfect for introducing users to new functionality for them, such as vacuum wave stimulation, rotation, pulsation, circulation, etc.

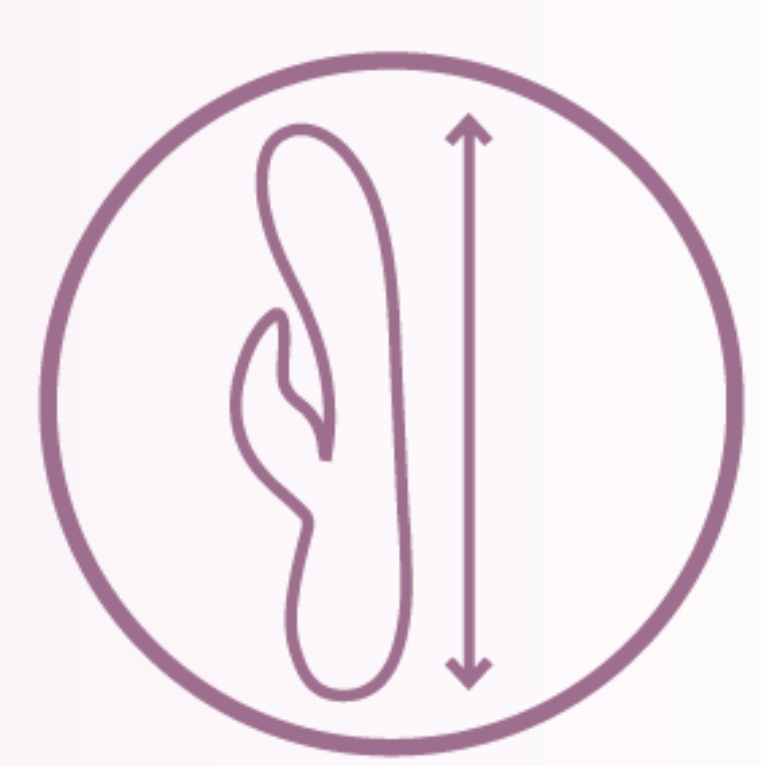

New vibrators Ida, Lily, May are designed not only to experience orgasms, but also to **develop the sensitivity of the vagina** by stimulating the clitoris from the outside and from the inside at the same time. **Convenient functionality, operation** and design that allows the toy to **fit perfectly in the palm** - everything is created for hassle-free and efficient use.
