

Flexible strap-ons from **Natural Collection** are crafted with an **ergonomic shape**, so that these strap-ons effortlessly conform to the contours of your body, providing a **secure and comfortable fit**.

NATURAL

EXPOSE YOUR NATURE

NATURAL TEMPTATION

Featuring a unique design, the Natural Collection boasts an **internal flexible frame** that adapts to user's individual curves, ensuring a personalized and pleasurable experience.

The absence of straps and fasteners eliminates any discomfort or inconvenience.

Winner of the prestigious Muse Design Awards in "product design" category

NATURAL

- no need to hold with hands
- pleasure for both partners
- zero phthalate content
- compatible with any lubricant
- clitoral stimulation
- stimulation of the G-spot

With a **clitoral part** dedicated to stimulating the active partner during frictions, this collection takes pleasure to new heights.

To prioritize your safety and well-being, the strap-ons in the Natural Collection are meticulously crafted from **soft hypoallergenic silicone**. This premium material provides a velvety-smooth texture, ensuring a luxurious feel against your skin.
